

Refi Plus[™] Mortgages Only

Loan-Level Price Adjustment (LLPA) Matrix

This document provides the LLPAs applicable to loans delivered to Fannie Mae under the DU Refi Plus[™] and Refi Plus (manual underwriting) guidelines (together “Refi Plus Mortgages”), and provides details of the Adverse Market Delivery Charge (AMDC). These LLPAs are in lieu of (and not in addition to) the LLPAs specified in the standard *Loan-Level Price Adjustment (LLPA) Matrix* posted on Fannie Mae’s website. **Only specified refinances of existing Fannie Mae loans as defined in the Refi Plus Mortgages requirements per the *Selling Guide* are eligible for the LLPAs in this document.** LLPAs are assessed based upon certain eligibility or other loan features, such as credit score, loan purpose, occupancy, number of units, product type, etc. Special feature codes (SFCs) that are required when delivering loans with these features are listed next to the applicable LLPAs. **Refer to the *Selling Guide*, *Eligibility Matrix*, and your contracts with Fannie Mae to determine loan eligibility.**

Pricing Guidelines for LLPAs and AMDC:

- **Refi Plus Mortgages MUST be identified by either SFC 147 for DU Refi Plus or SFC 288 for Refi Plus (manual underwriting).** Mortgages are subject to all other applicable SFCs, in addition to any that may be indicated below.
- All LLPAs and AMDC are cumulative. The LLPAs apply to all loans that meet the stated criteria for the LLPA, unless otherwise noted or excluded. The AMDC applies to all loans.
- AMDCs are drafted in the same way as LLPAs.
- Credit score requirements are based on the “representative” credit score for the mortgage loan as defined in the *Selling Guide*. Loans delivered without any credit score will be charged under the lowest credit score range available in each of the applicable LLPA tables. Loans delivered with more than one borrower, when one borrower has a credit score and one or more borrowers do not have credit scores, are charged according to the representative credit score (disregarding the borrower(s) without a credit score).
- All applicable LLPAs and the AMDC for MBS transactions will be drafted from the lender’s account. All applicable LLPAs and the AMDC for whole loan transactions will be deducted from the loan net proceeds, as set forth in the *Selling Guide*.
- Footnotes and expiration/effective dates are important guides to the correct application and accumulation of LLPAs and AMDC.
