Borrower-Paid Annual Premiums

BORROWER-PAID ANNUAL PREMIUMS

Borrowers pay the first-year premium at closing. The renewal premium is due on the certificate's anniversary date. Lender-paid annual premiums are not available.

RENEWALS

Constant Renewals apply the rate to the original insured loan balance. The rate for years 2 through 10 is the same as the first-year rate. For years 11 through term, the premium rate is reduced to .20% or remains the same if the rate before this reduction is less than .20%. Constant renewals are not available on lender-paid rates. **Declining Renewal** rates are applied to the outstanding insured loan balance. The rate for years 2 through term is the same as the first-year rate. The loan balance is adjusted annually on the certificate's anniversary date.

REFUNDS

Borrower-Paid Monthly Premiums are non-refundable, unless coverage is cancelled or terminated under the Homeowners Protection Act of 1998. In this case, we will provide a refund based on our unearned premium calculation. Borrower-Paid Annual Premiums are refundable; we provide a prorated premium refund upon cancellation of coverage. Lender-Paid Monthly Premiums are non-refundable.

LOAN PROGRAM CATEGORIES

Fixed Rate applies to loans with level or declining payments for the first 5 years and no potential for negative amortization.

Nonfixed Rate applies to loans with actual or potential payment changes during the first 5 years.

RATE SELECTION

30-Year Rates apply to loans with an amortization period greater than 20 years.

20-Year Rates apply to loans with an amortization period of 20 or fewer years.

Select LTV category based on first lien only.

Rates may vary from state to state. Select borrower-paid rates based upon property location. Select lender-paid rates based on lender location.

Rates for credit scores in the lowest tier apply to:

- Loans without valid credit scores or no credit scores that otherwise meet MGIC's nontraditional credit requirements
- Loans with a DU® or LP® response other than Approve or Accept

In addition, loans processed through an Agency AUS and specific Agency programs may have different coverage requirements. Therefore, the requirements listed above may be outdated or inapplicable; do not rely on them to determine current Agency coverage requirements.
