

Primary Market Daily Report Assumptions

Origination Market Concentration

Lag Between Asof Date and Issued Date

Before 6/1/2011, there is one month lag between Asof and Issued date. But after 6/1/2011, there is no lag between them (Asof = Issued date). We use two algorithms to fit both periods and combine them together on 6/1/2011.

Trends in Specified Pool Issuance
